EDUCATION

Arizona State University, Tempe at Barrett, The Honors College **August 2022 - May 2026**
Bachelor of Science, Geographic Information Science; Bachelor of Science, Sustainability; Minor, Urban Planning
GPA: 3.98 / 4.00

RESEARCH & INTERN EXPERIENCE

Green Stormwater Infrastructure Engagement Coordinator (AmeriCorps, NAU) **Sept 2026 - Present**
Arizona State University, Tempe, AZ

- Build a database and interactive web map of GSI projects, case studies, and educational examples across Arizona.
- Develop accessible educational resources and outreach tools that communicate the benefits of GSI and connect communities with relevant programs and opportunities.
- Support stakeholder engagement, convenings, storytelling, and reporting that advance GSI adoption, climate resilience, water conservation, and sustainable community development.

Geographic Information Science Intern **May 2025 - May 2026**
Arizona State University, Tempe, AZ

- Analyzed and coded intake data from 5,000+ records across 30+ women's shelters throughout Arizona.
- Lead the cleanup and management of over 200,000 activity and licensing records for Maricopa County Animal Control, while maintaining metadata records for smooth project transfers between GIS professionals.
- Delivered four presentations to community partners, strengthening collaboration and cross-organization communication.

Student Researcher at CAP LTER **May 2024 - Dec 2025**
Arizona State University, Tempe, AZ

- Geolocated and analyzed over 4,300 data entries to identify trends and anomalies across a defined time period.
- Authored a blog series in collaboration with the Arizona Wildlife Federation.
- Conducted a literature review and extensive geospatial study of urban wildlife in Phoenix, then presented findings at the Central Arizona–Phoenix Long-Term Ecological Research Symposium, SURE Symposium, and Urban Climate Research Annual Poster Event with three professional poster displays.

ADMINISTRATIVE & LEADERSHIP EXPERIENCE

Director of Sustainability **August 2025 - May 2026**
Undergraduate Student Government, Arizona State University, Tempe, AZ

- Plan and execute large-scale departmental events; coordinated the 2026 Sustainability Summit for 90+ attendees, managing logistics, room reservations, catering, and vendor coordination across nine speakers from ASU, NAU, and the industry.
- Manage a $5,000 program budget, tracking and reconciling expenditures across catering, promotional materials, and event operations.
- Serve as primary point of contact for student leadership, faculty advisors, and community partners, responding to inquiries and coordinating logistics across departments for sustainability-focused events.

Food Bank Dashboard Workshop, Co-Coordinator **February 2026**
Arizona State University, Tempe, AZ

- Co-developed and led a statewide training workshop for staff from Arizona’s four major food bank networks (Flagstaff, Tucson, Yuma, Phoenix), including participant materials and hands-on activities.
- Funded by the Arizona Board of Regents and featured in ASU News; received a digital credential for participation.

Treasurer **August 2025 - May 2026**
ASU Wakeboarding Team, Tempe, AZ

- Maintain financial records and process club transactions, ensuring compliance with university financial policies and procedures, while also raising funds for team events.

Eco Representative **Sept 2023 - April 2024**
University Sustainability Practices, Arizona State University, Tempe, AZ

- Coordinated event planning and strategic communications for campus sustainability outreach programming.
